

## Planning for your life-changing legacy.

A planned gift is a donation that is planned now and received later through your estate.

There are many ways in which you can create a lasting legacy at Gillian's Place.

We strongly encourage speaking to your financial advisor to determine the best option for you, your family, and the causes you care about. Giving tools include, but are not limited to...

- **Bequests (Wills)**
- **Gifts of Securities (Stock)**
- **Gifts of Life Insurance**
- **Endowments**
- **RRSPs/RRIFs**
- **Charitable Gift Annuities**

“

My friend's mother lost her life to femicide. After discussing with my advisor and realizing that my money could be helping women and children escape from their abuser, I made Gillian's Place the beneficiary of my life insurance policy.

Women's Place (St. Catharines & District) Inc.  
o/a Gillian's Place

*It is important to put our legal name in your Will.*

### Charitable Reg #:

12971 8037 RR0001

## Create your life-changing and lifesaving legacy today.

## WILL POWER™

Together, we are working to end gender-based violence in Niagara.

## Over forty-five years of growth.

We would not be offering the level of wrap-around support that we do today without the compassion, attention, and investment from our caring community.

## Serving survivors and their allies in North and West Niagara.

We are proud of the services and spaces we provide in St. Catharines and Beamsville.

## Over 90,000 lives changed through GP since 1977.

Your planning now can help provide a future full of hope, support, and choices.

## Your life-changing legacy in action.

Every year, as demand for our services increase, so too does the need to fundraise. Donors who plan today for the future help ensure our priority programs are there when survivors need them most.

## Below are just some of the ways planned gifts are changing lives at GP.

### Supporting Survivors

Your gift will help us continue to be there for our clients 24/7, well into the future. Beyond our services, your gift can help provide intensive wrap-around support in some of our highest-risk cases.

### Building Better

Despite the importance of maintaining and upgrading our facilities, we receive limited ministry funding for this. Your gift will allow us to tackle an urgent need that will greatly benefit our clients' shelter experience.

### Preventing Violence

While we receive formal funding for our crisis intervention work, we receive nothing for prevention. Your gift can help increase our evidence-based violence prevention programs.

## Supporting survivors and those you care about.

Leaving a small portion of your estate to Gillian's Place could result in a bigger contribution than you ever thought possible, while still supporting the ones you love and optimizing tax benefits.

## How to create your life-changing and lifesaving legacy today.

### Calculate

Too many people think only the wealthy can make an impact through their estate, but anyone can make a lasting legacy at GP. Use our calculator to see your WillPower: [willpower.ca/charities/gilliansplace](http://willpower.ca/charities/gilliansplace)

### Plan

We strongly suggest speaking with a financial advisor who can help determine the best option for you, your heirs, and the causes you care about.

### Create

Leaving a charitable gift in your Will can be as simple as adding a clause to your Will. Speak with a lawyer or notary to do so, and be sure to use our legal name (see back).

### Share

Share with us, your family, and others. Sharing is caring and can create an even bigger collective impact for everyone involved.
