A HOME OF HOPE AT THE HOLIDAYS

Be a Star of Hope and Give a Gift of Hope

Your gift gives hope to survivors living in our shelter,
second-stage homes and in the community.

Sponsor a Family

Our [Sponsored Family Program](#) is one of the most impactful ways you can help a vulnerable individual and/or family this season. Simply choose a sponsor level that is meaningful to you, and we will direct your donation to our clients by way of gift cards. Sadly, this financial freedom is something very few survivors have ever experienced. With your gift, you are empowering them to purchase what, when, and where they want – [likely for the first time ever](#).

Your gift will:

- Give much-needed financial assistance to our clients by providing them with gifts to fulfill their holiday wish lists.
- Supply groceries for a holiday meal.
- Offer some love, comfort, and joy that is needed and deserved this holiday season.

Three easy steps:

1. Select the size of the families you wish to sponsor.
2. Make a donation securely online or by mail.
3. That's it! We will notify the family and let them know they are heading into the holiday season with love and joy.

Create Your Life-Changing Legacy Today

Did you know? You can create a life-changing legacy by making a planned gift today. A planned gift is a charitable donation that is planned now and received later through your Will or other means.

Many think they have to choose between the causes and the people they care about. The reality is you don't have to choose.
